

Appendix 2

Staying smart, safe and savvy online

What can we do to stay safe online?

- Block abusive players
- Report things/players that are worrying or upsetting using the features on the game/app
- If there's a problem contact CEOP, Childline, the police
- Talk to a trusted adult
- Use 'finger power'! Turn off, mute, close down
- Talk to parents regularly about what you are doing online
- Only talk to friends you know in real life
- Never share personal information – including wearing school uniform on a video or webcam
- Never send photos or videos of yourself to strangers
- Never meet up with people you've only met online

Remember: if it seems too good to be true, it probably is!
