

Resource Pack C

Trust or be careful

Allow the children to sort these into 'Trust' or 'Be Careful' piles. Get the children to justify their decisions.

A mum from school, you don't
know who her child is

A lady who runs your local shop.
You always say hello.

Your teacher

Your friend's younger sister

Someone who comes to babysit
when your parents go out

Someone you met online
playing Roblox

Answers:

Trust:

Your friend's younger sister,
your teacher,
babysitter

Be careful:

Someone you met online,
lady who runs your shop,
mum from school (it could be anyone and
not a mum at all)
